The Friends of Battersea Park (Charity No. 802905) was formed in 1988 to help maintain and improve the Park as an oasis of tranquillity, natural beauty and recreation. Our aims are to provide a responsible group of people whom Wandsworth Council can consult as representatives of Park users; to preserve the natural and historic layout of the Park, and monitor any proposed changes; to organise walks and lectures and raise funds in order to make other positive contributions to the Park's amenities. We regularly publish a magazine which provides a forum for members' ideas and opinions. Our influence is dependent upon as large a membership as possible; your support is vital and greatly appreciated.
